

Service Lead REQUIRED
Up to 37 hours per week
Salary £25,000

Following award of a joint contract across Cheshire East and Cheshire West & Chester, this is an exciting opportunity to join the new Healthwatch Cheshire in a very interesting and challenging climate.

Healthwatch Cheshire (trading as Healthwatch Cheshire East and Healthwatch Cheshire West) gives the whole community - adults, young people and children a powerful voice to comment on the health and social care services they receive both locally and nationally. Whether it's improving these services today or helping to shape them for the future, Healthwatch Cheshire will be about local voices being able to influence the delivery and design of local services.

You will be responsible for ensuring effective operational delivery of Healthwatch Cheshire including development and line management of a staff team and working in partnership with health and social care partners.

You must have experience of partnership working to influence change and of project management processes, together with knowledge of good practice in health and care related information provision and advocacy and the requirements for carrying out consultation and engagement.
