

FREE

Welfare Reform and Anti Poverty Conference

Why attend:

- To understand the impact Universal Credit and other reforms have had in Sefton, including on
 - Housing
 - Household budgets
 - Personal health and wellbeing
- Hear how other areas have worked together to support those impacted by Welfare Reforms
- Help shape the Partnership's priorities for 2018. What should we be lobbying for and how can we support our communities?

Key note speaker

Mike Hawkins

Acting Policy & Research Manager
(Cities and Inclusive Growth)
at the Joseph Rowntree Foundation.

Who should attend

- Voluntary, community and faith sector organisations
- Councillors
- Housing Associations staff
- Local authority staff, social workers, Children and Family Centre workers, library staff etc
- NHS commissioners and practitioners, primary care staff etc.
- Partners from Police, Fire and Rescue Service, Schools and Colleges
